

DUBROVNIK SEA SUN HOTELS

#VACATIONS SAFE AT HOTELCAVTAT

Our number one priority is the health and safety of our guests and members of our team!

We want to emphasize that the most important thing in our hotel is the well-being of our guests, employees, their families, partners and fellow citizens, and that is why we act responsibly and carefully.

RECEPTION

- € Disinfectants for cleaning hands at the reception
- € Standalone temperature measuring device
- € Contactless registration and payment at the reception
- € Limited number of guests at the reception
- € Increased frequency of reception cleaning
- € If requested by guest disposable masks and gloves are available at the reception.

RESTAURANTS AND BARS

- € Disinfectants have been installed at the entrances in front of restaurants and bars
- € The distance between the tables is a minimum of 1.5 m
- € All tables, chairs and menus are cleaned and disinfected after each sitting
- € We bring cutlery for each guest just before the meal
- € Limited number of seats in restaurants and bars

HOUSING UNITS

- € All accommodation units are cleaned and disinfected according to the instructions and recommendations of the Croatian Health and WHO
- € Daily cleaning service can be changed to the requirements and needs of the guests
- € Accommodation units are equipped with an air conditioning system that blows air from the central air conditioning unit, which prevents air mixing between the units

GENERAL SAFETY INFORMATION

- € There are obligations of safe distances for the use of common areas (limited number of people using the elevator)
- € All employees are obligated to use face masks and gloves
- € The facility provides all information on COVID-19 in Croatia and prevention measures
- € Our staff is trained in COVID prevention and infection management
- € We follow the COVID-19 guidelines sent from Croatian Healthcare on a daily basis
- € All information on protection measures related to COVID-19 in Croatia is available at: <https://www.hzjz.hr/>
- € We check the health of our employees daily
