ABOUT US: A longstanding family tradition and 30 years of passion in treating clients, is an acknowledgement of the professionalism of our Beauty & Physio Lavanda team. A great number of our clients throughout the years have been very satisfied with our services and we have been sincerely grateful for their faith and belief in us. Our mutual victory is when we see our clients leave their sessions feeling happy and relaxed.

VINKO MARKONI bacc. physioth. His life calling is working with people, ensuring he can assist with his clients musculature and help in forming their ideal body which began with four years of studying physiotherapy at The Medical Faculty at the University of Zagreb. With his vast professional knowledge he provides treatments which greatly assist his client's health and improve their musculature leaving them feeling relaxed and pampered.

DIANA MARKONI is a professional cosmetician that regularly updates her beauty knowledge through lifetime cycles of education at the Afroditia Cosmetics Centre which is in the small town of Rogaska Slatina. She regularly follows new trends of facial care and cosmetic treatments which she then introduces to her clients. Beauty is her passion and Centar Lavanda is an oasis of health and beauty.
